

LISTE 2

For the first time in 50 years:

List voting instead of individual candidate voting

Previously

(individual candidate voting)

- 31 people
- many individual opinions
- little common ground
-

Now

(Party List voting)

TEAM with
shared values -
clear positions from
the very beginning

In a 31-member Board, decisions are made by majority vote.

This means:

If List 2 receives many votes, we'll start
with 12 votes on the committee.

We are running as List 2, because we want to:

- make an impact
- take responsibility
- communicate transparently
- represent you and your voice

EVERY VOTE DECIDES ON INFLUENCE.

Now it's up to you - go vote.
Postal voting is also welcome
