# LISTE 2

For the first time in over 50 years:  
**LIST** voting instead of individual candidate voting

**Previously**  
(individual candidate voting)

- 31 people
- many individual opinions
- little common ground
- 

**NOW**  
(list voting)

**TEAM** with  
shared values -  
and therefore capable of  
action from the start.

# LISTE 2

## WHY THIS IS IMPORTANT

In a 31 member committee, majorities count.

**That means:**

**More votes = more influence  
on decisions.**

# LISTE 2

**NOT FOR US.  
FOR *YOU*.**

A works council mandate is not an end itself - but a responsibility.

# LISTE 2

We are running as **LISTE 2** because we want to:

-  have an influence
-  take responsibility
-  provide transparent information
-  represent you and your opinion
